## Year 11 2023 Enrolment Information Monday 22<sup>nd</sup> November

Welcome to Catholic Regional College Sydenham. You will be the Class of 2024, graduating from Year 12 at the end of that year. This document will help guide you and your family through the process enrolling at Catholic Regional College Sydenham.

With Covid-19 and the current restrictions in place, school tours and our usual face to face process is simply not possible nor would it be safe. We have redesigned the process to support you and your family as you make some important decisions. Please know that we are available via email and phone to answer questions. We have also put together a series of webinars which we urge you and your family to log on for. These webinars will provide live information with a panel of staff who can answer any questions you may have.

# Enrolment Information Evening Year 11 2023

We would usually have an Enrolment Information evening where Year 9 families would attend for a showcase of the College. This is usually a chance to ask questions of students studying in the subjects you are interested in and for families to attend an introductory information session that provides an overview of the enrollment process. At this point in time we can't do that so we have put together the following webinars.

Time	Focus	Link
6:00pm	<b>VET VCE Subject Information</b> for students and their parents who are undertaking a VCE or VET Subject at the College in 2022.	See links in table
