

Attendance Policy

Purpose

In accordance with the [Education Training and Reform Act 2006 \(Vic.\)](#) (the Act) and the [Education and Training Reform Regulations 2017 \(Vic.\)](#), school attendance is compulsory for children and young people aged from 6 to 17 years unless an exemption from attendance has been granted (refer to **Appendix 1: Guidelines** for absence and [Exemption from School Attendance or Enrolment](#), Department of Education and Training (DET), 2021).

Whilst ensuring student attendance at school is a legal obligation of parents/guardians, supporting students to attend school each day is the shared responsibility of all parents, students, the school and the wider community.

School attendance is important as it maximises life opportunities for children and young people by providing them with education and support networks. Positive engagement with schooling enhances academic and wellbeing outcomes for children and young people ([eXcel: Wellbeing for learning in Catholic school communities](#)). Attending school every school day for the whole day enables students to participate in the school's educational program as well as develop their social skills. Regular attendance enables the school to:

- plan an organised educational program that is delivered in a consistent way and has continuity
- facilitate shared student learning experiences that support the educational program
- monitor student progress and adjust the educational program to meet student needs. All schools must maintain attendance records, identify and follow up unexplained absences and develop procedures to support and maintain student attendance.

Scope

Details and procedure within this policy are applicable to schools and students enrolled in a Melbourne Archdiocese Catholic School (MACS).

All schools must have documented procedures for monitoring school attendance (**see Appendix 1**).

Principals should contact the Regional General Manager for assistance in addressing complex attendance and exemption matters.

Definitions

Attendance

A student is considered to be in attendance at school when onsite and/or involved in an offsite curriculum program or other activity organised by the school (for example an excursion or camp). A student is also considered to be in attendance when the student is engaged in a re-engagement program or another school part time to make up full time attendance and the schools or settings have agreed the time fractions, allocation of Student Resource Package (or other funding) and the educational plan for the student (see **Appendix 2: Guidelines for absence**).

Parent/guardian

Includes 'a guardian and every person who has parental responsibility for the child including parental responsibility under the *Family Law Act 1975 (Cwlth)* and any person with whom a child normally or regularly resides'.

Unexplained or unapproved absences

A principal can approve or not approve any absence, based on the requirements of the *Education and Training Reform Act 2006 (Vic)*, an individual school policy or on a case-by-case basis.

The Act provides some examples of what a reasonable excuse is for the purposes of explaining a school absence and includes, amongst other considerations:

- Illnesses and accidents
- Unforeseen and unexplained circumstances
- If the absence was a result of complying with another law
- The child is receiving distance education through a registered school
- The child is undertaking approved education, training and/or employment
- The child has been suspended or negotiated transfer/expelled
- The child is attending or observing a religious event or obligation.

Unexplained Absence

A principal will record an absence as 'unexplained' if no explanation about the absence is given to the school by the parent or carer of the student.

If the parent/guardian does contact the school to provide an explanation on the day of the student absence, the school must attempt to contact the parent or legal guardian either by phone or in writing and seek a clarification for the absence.

If no contact can be made with the parent or other carers of the child within 10 days, the absence will be recorded as an unexplained absence and a noted will be made in the child's file. A parent or legal guardian can contact the principal at any time after the recorded absence to provide an explanation.

Unapproved Absence

In general, a principal may record an absence as 'unapproved' when no reasonable explanation has been given for the student's absence. If a reason is given for a student absence is not approved by the principal then the school will notify the parent or legal guardian in writing.

Exemption

The *Education and Training Reform Act 2006 (Vic)* allows exemptions from school attendance and enrolment to be granted in certain circumstances, where the student:

- is a child who turns 6 (compulsory school age) while attending kindergarten
- will be participating in approved education or training, or employment, or both, on a full time basis
- is employed or seeking employment during school hours in the entertainment industry

An exemption from school attendance and enrolment may also be granted where leaving school is in the best interests of the student.

All applications for exemptions are considered on a case by case basis, with the student's best interests as the guiding principle for decision-making. In making a decision, the potential benefits or negative consequences of granting the exemption to the student's educational progress, wellbeing and development are also considered. **A student must continue attending school until an exemption is granted.**

Note: No exemption is required if a student is not of compulsory school age (6 to 17 years of age).

Exemptions, including written approval for student attendance and enrolment to be exempt or reduced to less than full time, can only be authorised by the Regional General Manager in conjunction with the school principal.

- refer to the Department of Education and Training (DET) [Exemption from school attendance and enrolment](#) guidance for further information.

School Attendance Officers

In the context of attendance, DET School Attendance Officers are empowered through the Act to issue School Attendance Notices, School Enrolment Notices and Infringement Notices.

- Refer to DET [Infringement notices](#) guidance for further information.

Principles and Procedures

Responsibilities for school attendance

Parent/guardian

Parents/guardians must enrol a child of compulsory school age at a registered school and ensure the child attends at all times when the school is open for instruction, unless exemption from attendance has been granted. For absences where there is no exemption in place, the parent/guardian must promptly provide an explanation on each occasion to the school.

Students

Students are expected to attend the school in which they are enrolled during normal school hours every day of term, unless there is an approved exemption from school attendance for the student, or the student is registered for home schooling and has partial enrolment.

Principal

The principal must ensure:

- daily attendance of each student enrolled at the school is recorded at least twice a day in primary schools and for every class in secondary schools
- any absences of a student from school, including classes, are identified
- reasons for each student's absence are provided and recorded in writing
- explanations for absences that are provided, are a reasonable excuse for the purposes of their responsibilities under the Act
- follow up any unexplained absences of a student by **contacting the parent/guardian of the student as soon as practicable on the same day**
- parents/guardians are notified promptly regarding a student's unsatisfactory school or class attendance. If, upon being notified of their child's absence or contacted to seek an explanation, a parent reports that the child was not living with them on that day, the school should ensure they notify another parent who was responsible for ensuring the child attended school on the relevant day(s)
- if contact cannot be made with the parent, contact should be made with the emergency contact/s nominated on the student's file held by the school
- information regarding a student's unsatisfactory attendance at school or classes is recorded on their student file
- parents/guardians are informed of their responsibilities around attendance and initiatives aimed at promoting parental awareness of the importance of children attending school every day are implemented

- attendance improvement strategies, interventions and levels of adjustment are implemented where the absence is having a significant impact on a student’s educational achievement and development, including an Attendance Student Support Group, Personalised Learning Plan, Student Absence Learning Plan and Return to School Plan
- strategies for supporting attendance of students in out-of-home care, experiencing homelessness, Aboriginal and Torres Strait Islander (ATSI) families, overseas students, students with disabilities, students with cultural and linguistically diverse backgrounds and newly arrived families are implemented
- **MACS is to be advised prior** a referral to a DET School Attendance Officer when a student has been absent from school on at least five full days in the previous 12 months without a reasonable excuse for absence
 - refer to the **‘Everyday Counts’ flowchart** on the CEVN webpage: <https://cevn.cecv.catholic.edu.au/Melb/Student-Support/Attendance>
- referral processes are implemented to Child FIRST or Child Protection, MACS and the School Attendance Officer where required.
 - refer to Child Protection and Child Safe Standards (PROTECT)

Procedure for late arrival at school

If a student enters the College gate after 8:45am they will be directed to Reception by the staff member on morning supervision duty. The student will sign in using the scanner and then show the receipt to their homeroom teacher, or first subject teacher. A member of the Reception staff will mark the roll accordingly.

Procedure for leaving school before the normal departure time

If a student needs to leave school before the scheduled end of day, then on the day they should have a written note from home explaining a valid reason. This could be for a pre-arranged appointment or specified family commitment. A parent/guardian must come into Reception to collect their child and sign them out.

Procedures for communicating about attendance expectations to parents/guardians

The Attendance Policy is on the College website and communicated to all parents/guardians at information nights at each year level.

Attendance record keeping

Attendance is taken as soon as practicable at the beginning of each lesson. Attendance can be checked on SEQTA by generating:

- an attendance summary (to view overall attendance rate)
- class attendance percentages (for individual subject attendance)
- a period history report (best used to monitor specific days and periods)

Attendance improvement strategies

It is the responsibility of the homeroom teacher to monitor attendance of students in their homeroom. If students have been absent for two consecutive days without notification, homeroom teachers should contact parent/guardians by the third day. The purpose of this phone call is to

determine the reason/s for the absence; to remind parents to contact the school when a child is absent; and of the importance of attendance if a teacher has any concerns. Notification of the reason/s for absence are to be passed on to Reception.

Where attendance is irregular, homeroom and subject teachers should discuss attendance with the YLL. If attendance drops below 90% a letter should be emailed/posted home. A template can be accessed on SEQTA homepage. Homeroom teachers should continue to monitor attendance and notify the Year Level Leader (YLL) when attendance rate is below 80% and 70%.

Attendance < 90%

- Homeroom teacher notifies YLL that attendance < 90%
- HRT sends letter of concern to parent/guardian using template on SEQTA
- Letter recorded in student notes
- Follow up with phone call to parent/guardian, if no prior contact has been made

Attendance < 80%

- Homeroom teacher notifies YLL that attendance < 80%
- YLL sends letter to parent/guardian through Head of Student Wellbeing (HSW) and recorded on SEQTA
- YLL to follow up with parent/guardian, if no prior contact has been made

Attendance < 70%

- Homeroom teacher to continue to monitor attendance and notify YLL that attendance <70%
- HSW to send letter home and record on SEQTA
- HSW to arrange meeting with parent/guardian, YLL and one of Deputy Principal Wellbeing (DPW), Learning Support Coordinator or psychologist/counsellor, as appropriate, to discuss strategies to re-engage students and make contact with external departments and agencies
- YLL to monitor attendance following meeting
- Return to school plan to be developed by school psychologist/counsellor or external provider
- DPW to notify MACS Western Region Wellbeing Unit
- Plan to be evaluated as needed and may include an adjusted timetable

Appendix 2: Guidelines for absences

A student who is participating in one of the following activities must be recorded as not physically present at the school site but **will not be considered absent from school**:

School activity

A student will not be considered absent when they are participating in an authorised activity for school purposes. The activity may be off school grounds. Activities may include students performing in the school choir, band or dance group, students participating in a youth parliament or council or a student undertaking community service.

Excursion

A student will not be considered absent when they are participating in an excursion which occurs outside the school grounds and is conducted, organised and/or approved by the school. Excursions could include part-day, day or multi-day class visits to venues outside the school or school camps.

Off campus activity

A student will not be considered absent if they are participating in an authorised activity that is away from the school campus. These activities may include flexible arrangements, attendance at a TAFE or other training provider course, or participation in a school-based apprenticeship or traineeship. These activities will be regular and ongoing in nature.

Natural Disaster

A student will not be considered absent if they are unable to attend school due to an extreme weather event or other natural disaster. This code may be used whether or not the student is continuing with school work while absent from school, and may be used for full or part-day absences.

Sport

A student will not be considered absent when they are representing their school, district, region, state or country at a sporting event approved by the school

Work experience

A student will not be considered absent when they are participating in a work experience program approved and organised by the school. Work experience programs are available for students 14 years or older. Schools must ensure the appropriate work experience agreements have been completed before students undertake work experience.

The following circumstances 'absences' will be considered reasonable where an excuse has been given:

Illness

It is reasonable that a child may be absent from school when they are genuinely too ill to attend.

On any single day of absence due to illness, or within two days of the student's return to school, a parent should provide the school with an explanation for the absence, in line with the schools agreed processes for notifying of student absence. This may take the form of a written explanation note containing the student's name, date/s of absences and reason for absence, a verbal explanation through either a phone call or visit to the school, or a medical certificate.

If a child who is prevented by illness from attending school for a period longer than 10 consecutive school days, the Regional General Manager (or delegate) has the power to grant an exemption from compliance with the requirements of compulsory schooling or compulsory participation.

Infectious or contagious disease

It is a reasonable excuse for a child to be absent from school if the child is, or is a member of a class of persons, that is subject to a direction or order given about an infectious or contagious disease or condition.

Medical or dental treatments or procedures

It is reasonable for a student to be absent to attend a medical or dental appointment. This should be documented through the provision of a written or verbal explanation from a parent.

Sport

Principals should use their professional judgement to determine if it is reasonable for a student to be absent from school to participate in a sporting event where they are not representing their school, district, region, state or nation, taking into consideration the type of event and the organising sporting body.

Suspension a suspension is a reasonable excuse for absence and the following applies:

- if a student is **suspended for five days or less** the school's principal must take reasonable steps to ensure the student is given school work to complete during the suspension
- if a student is suspended for **more than five days**, the school principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension
- if the student is **suspended with a recommendation for negotiated transfer or expulsion**, the school principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension.

Apprentice or trainee through *Vocational Education Training/VCAL program*

It is a reasonable excuse for a child to be absent from school if an arrangement has been made through the VET/VCAL program

Funeral

Attendance at a funeral or to attend to Sorry Business or Sorry meetings may be considered as a reasonable excuse for absence. Parents should be encouraged to ensure their child misses as little school as possible.

There may also be circumstances where a child is kept out of school due to grief of a close family member. In such circumstances, the school should work with families to encourage them to have the child attend school to maintain a sense of normalcy. These situations should be handled with respect and sensitivity and should be underpinned by the interests of the child.

Legal

It is a reasonable excuse for a child to be absent from school where the child is required to attend court or fulfil other legal requirements.

Holiday

Parents should be encouraged to plan holidays for students during gazetted school holiday periods and pupil free days. Principals should use their professional judgement in determining whether a holiday is a reasonable excuse for a student absence, taking into consideration family circumstances, distance to be travelled, length and frequency of holidays. A principal has the delegated power to grant an exemption from the requirement of attendance at a state school where the exemption will apply for less than one school year.

The following circumstances will be considered **absences for which there is NOT a reasonable excuse given:**

Unexplained absence

When no explanation for a student absence has been offered to the school by the parent, or the student if they are living independently.

Leisure activities

Undertaking a leisure activity such as shopping, visiting friends and relatives, fishing or camping, is not considered a reasonable explanation for an absence from school.

Any other reason for absence

The principal should use their professional judgement in determining whether other reasons given by the parent, or the student if they are living independently, are reasonable explanations for a student's absence. If the reason given is not a reasonable excuse the principal should document the decision and record the student as absent.
