

A group of smiling children in Uganda, with the word 'Uganda' written in a large, blue, cursive font across the center. The children are of various ages and are smiling warmly at the camera. The background is a soft, out-of-focus natural setting.

Uganda

“A generous person will prosper;
whoever refreshes others will be refreshed.”

Proverbs 11:25

A group of children are sitting on the ground under the shade of a large, thick-trunked tree. They are dressed in simple clothing, some in school uniforms. In the background, a woman is walking away, and other children are visible in a grassy field under a bright sky. The scene is set in a rural, open landscape.

Our College Pillars

- Prayer
- Learning
- Compassion
- Stewardship

Prayer

Through prayer we can achieve the impossible.
Each one of us can make a difference no matter how big or small...
Every prayer and good intention counts.

God, you have given all peoples a common origin.
It is your will that they be gathered together as one family in yourself.
Fill the hearts of humankind with the fire of your love and with the desire to ensure justice for all.
By sharing the good things you give us, may we secure an equality
For all our brothers and sisters throughout the world.
May there be an end to division, strife, and war.
May there be a dawning of a truly human society built on love and peace.
We ask this in your name.

Amen

Learning

As part of the learning, we need to recognise a need and act upon it as St. Mary Mackillop states, never see a need without doing anything about it.

Compassion

Together we can watch our community grow in compassion. Bringing out the smiles and working on leaving them their

Stewardship

Taking care of our world, the people, the place, taking on some responsibility, so that we can make a difference where it counts and where it matters.

We need to recognise the gifts God has given us and share them gifts with others in our communities near and far.
